## ABOUT

Weh Meyer Enterprises is an Independent Sponsor that seeks to acquire companies with annual revenues of \$15-60 million. We focus on stable Texas-based businesses that have not yet reached their full potential.

## APPROACH

We consider potential acquisitions through an operational lens, leveraging our extensive experience managing, improving and growing businesses. We expect to unlock value through employee development, technology enablement, and operational discipline. We believe thoughtful analysis, intellectual honesty, and hard work yield favorable results.

## INVESTMENT

Acquisitions are funded by our own funds, alongside funds from investors who share our vision. Post-acquisition, we function as an owner/operator, and our Principal serves as an active CEO of the entities we acquire.

## DIFFERENTIATION

Weh Meyer Enterprises offers business owners a compelling alternative to private equity and strategic buyers. We operate acquired businesses with a long-term perspective, preserving the legacy of departing owners with capable hands. We also offer flexibility to construct a deal that meets unique seller requirements.
